**Dr. Jasmin Cowin**

Touro College, USA

Dear Dr. Jasmin Cowin,

On behalf of the organizing committee and The Scientistt, we would like to invite Prof. Dr. Cowin as a speaker to our 2nd Global Summit and Expo on Nanotechnology and Nanomaterials (GSENN2022) taking place in Copenhagen, Denmark on June 13-15, 2022. Prof. Cowin's topic on ***“Nanoscience and Nanotechnology: A Multidisciplinary Teaching Frontier”*** was accepted by the Review Committee Members at 2nd Global Summit and Expo on Nanotechnology and Nanomaterials (GSENN2022) taking place in Copenhagen, Denmark on June 13-15, 2022.

The GSENN2022 is the vital platform for exchanging recent achievements and discussing future facilities in Nanomaterials and Nanotechnology. The GSENN2022 will be a 3 days event that means to gather the key players of the Nanomaterials and Nanotechnology and related sectors.

The GSENN2022 aims to be a unique platform for leading scientists, researchers, scholars and engineers from academia, R&D laboratories and industry around the world to exchange, share and learn the most recent advancements on various aspects related to Nanomaterials and Nanotechnology.

This conference provides a wonderful opportunity for you to enhance your knowledge about the newest interdisciplinary approaches in Nanomaterials and Nanotechnology. Moreover, the conference offers a valuable platform to create new contacts in the field, by providing valuable networking time for you to meet great personnel in the field.
