

Call for Proposals for the 1st Annual Touro University Graduate School of Education Conference

Our theme this year is “GSE Shines! **E**xcellence and **E**quity, combined with **I**nnovation and implemented by **Y**ou leads to **T**ransformation.”

We, as educators, need to take a fresh look at how we diversify our teaching methods to suit the needs of various populations, as well as uplift the voices of those educators and scholars not often heard as leaders in their fields. This is an interactive learning conference for Touro University faculty, degree candidates, alumni, school partners, and community stakeholders. Interactive and poster sessions will explore transformative practices, technologies, and mindsets that make space for proactive agility in meeting the challenges of an ever-changing world. We envision a space for networking and the free and respectful exchange of ideas.

By creating a lived space where all voices are valued, the **GSE Shines Conference** embodies GSE's mission to prepare a diverse cadre of highly qualified teachers, leaders, knowledge developers, and disseminators, in keeping with the Judaic commitment to social justice, intellectual pursuit, and service to humanity.

The Details:

- When: Tuesday, June 18, 2024 9-3
- Where: Touro University Cross River Campus, 3 Times Square, New York, NY 10036
- Who: GSE faculty, candidates, alumni; Touro University faculty, candidates and alumni; school partners

The Touro GSE Conference invites you to participate, present and collaborate along with the GSE community and partners across the tri-state area and beyond. We invite any proposal that ties in with our theme to engage attendees in conversations around “GSE Shines!” Please consider presenting, sharing and discussing ideas related to the conference theme within the following categories, or propose one of your own:
